## Awards and achievements

- Awarded Kilburn Entry Scholarship for strong academic background.
- Won LeedsHack 2018, by developing a web based application to interactively teach children to code.
- Received written praise from the school principal and the chair of the exam committee for outstanding Matura exam results.
- Finished in **17th place** in the international team based programming competition Challenge24, sponsored by **Google**.

## Education

### Computer Science, 2017 - 2020

University of Manchester

- On track towards **first class** degree, with an average of 88% across all course units in the first semester.

### Hungarian Matura, 2011 - 2017

Munkacsy Mihaly High School - Kaposvar, Hungary

- Most students only take 0 or 1 of the five exam subjects at a higher level. I took three, these being Mathematics, Physics, and English in addition to History and Literature at normal level.
- My result of an average of 90% across all exams is 24% higher than the national and regional average, and is the highest of my school's over 200 graduating students.

### Internet application developer, 2014 - 2015

IEC Kaposvar, Hungary

Overall grade: 94%

After getting familiar with key concepts of web development on my own, I decided to seek formal education in form of a part time course.

- Attending this course along with my high school studies helped me develop **excellent time management skills**.
- As part of an independent project, I created a responsive web based application using HTML, CSS, SQL, PHP, and JavaScript, which improves users' reasoning skills.
- A piece of code I created while studying here is to my knowledge still used as an example in their classes.

## Work Experience

### Hornet Representative, 2017 -

University of Manchester

Key responsibilities:

- Providing the first line support of wired, wireless, and security issues on university networks.
- Interacting professionally with a diverse group of student residents and staff.
- **Precise administration**, which helps employers keep track of my performance.

## Volunteer work

I have over 40 hours of documented volunteer work, such as working with children, assisting the fire brigade and the local museum.
