Work Experience
Hornet Representative, 2017 -
Hornet - http://hornet.manchester.ac.uk/
University of Manchester
Key responsibilities:

- Providing the first line support of **wired, wireless, and security issues** on university networks.
- Interacting professionally with a diverse group of student residents and staff.
- **Precise administration**.

Education
MEng, Computer Science, 2017 -
University of Manchester
Manchester

- On track towards **first class** degree.
- Participating in the university's Manchester Gold mentoring scheme.
- Volunteering member of HackSociety and CSSociety.

Hungarian Matura, 2011 - 2017
Munkacsy Mihaly High School
Kaposvar, Hungary

Most students only take 0 or 1 of the five exam subjects at a higher level. I took three, these being **Mathematics, Physics**, and English in addition to History and Literature at normal level. Even with the added challenge, my result of an **average of 90%** across all exams is **24% higher** than the national and regional average, and is the **highest of** my school's **over 200 graduating students**.

Internet application developer, 2014 - 2015
IEC
Kaposvar, Hungary
Overall grade: 94%
After getting familiar with key concepts of web development on my own, I decided to seek formal education in form of a part time course.

- Attending this course along with my high school studies helped me develop **excellent time management skills**.

- As part of an independent project, I created a responsive web based application using HTML, CSS, SQL, PHP, and JavaScript, with the goal of improving users' reasoning skills.

- A piece of code I created while studying here is to my knowledge still used as an example in their classes.

Awards and achievements

- Recieved written praise from the school principal and the chair of the exam committee for outstanding Matura exam results.

- Finished in **17th place** in the international team based programming competition Challenge24, sponsored by **Google**.
